Personal Profile

I am a reliable and motivated Cyber Security and Digital Forensics student with several years of experience in customer service and busy workplace environments. I have developed strong communication, teamwork, organisation and problem-solving skills through working in hospitality and supervisory roles. I am now looking for a remote or hybrid role where I can use my transferable skills, gain experience outside hospitality and continue developing my knowledge in digital support, IT and cybersecurity.

Key Skills

- Friendly and professional customer service
- Clear communication in person, by phone and online
- Teamwork and supporting colleagues
- Organisation and time management
- Problem-solving and staying calm under pressure
- Attention to detail and completing tasks accurately
- Basic knowledge of computing, networks, databases and web design
- Willingness to learn and develop new skills
- Fluent in English and Hungarian

Work Experience

Supervisor

The Italian Bakery, Swanage

April 2023 – Present

- Help with daily running of a busy bakery and support the team during shifts
- Provide friendly and professional customer service
- Deal with customer questions and small problems calmly and politely
- Support the team by helping with daily tasks and keeping things organised
- Help maintain good standards of service and cleanliness
- Work well under pressure in a busy customer-facing environment

Head Barista

The Cornish Bakery, Swanage

August 2021 – March 2023

- Provided a high standard of customer service in a fast-paced environment

- Prepared drinks and supported smooth daily service
- Trained and helped team members with their tasks
- Opened and closed the shop when required
- Helped with stock takes, orders and deliveries
- Developed confidence in working independently and as part of a team

Front of House Staff

The Pines Hotel, Swanage
July 2018 – July 2021

- Served customers in a busy hotel and restaurant environment
- Answered guest questions and helped with requests
- Worked with the team to keep service running smoothly
- Built strong communication, customer service and teamwork skills
